

EXPLORING ENERGY AUDITS WITH KAWI AND ENERCONNEX

Offerings		Level 0	Level 1	Level 2
Site Visits A site-visit by a team of Energy Engineers to accomplish the following:	Observe the conditions of the facility.	✓	✓	✓
	Document sample photos of the existing systems in the facility.	✓	✓	✓
	Document photos of all existing systems in the facility		✓	✓
	Document a full inventory of the systems in the facility.		✓	✓
	Sample on-site testing of systems and their respective performance.			✓
Benchmarking A benchmarking analysis which will yield the following results:	Historical energy consumption trends	✓	✓	✓
	Preliminary Energy Utilization Index (EUI) analysis	✓	✓	✓
	Estimate Carbon Footprint for the facility.		✓	✓
	Observe seasonal loads for the facility.		✓	✓
	Preliminary End-use analysis.		✓	
	Comprehensive End-use analysis.			✓
Energy Efficiency Measures	A preliminary list of energy efficiency measures that can be implemented.	✓	✓	✓
	A detailed list of energy efficiency measures that can be implemented.		✓	✓
	A comprehensive list of energy efficiency measures that can be implemented.		✓	✓
	Power and Energy savings projections for each recommended energy efficiency measure.		✓	✓
	Energy efficiency measures ranging from no to low to moderate. investment measures.		✓	
	Energy efficiency measures ranging from no to low, to moderate to high capital investment measures.			✓
	Financial analysis on each energy efficiency recommendation to show metrics such as ROI, Simple Payback, NPV, and more.			✓
Final Report Delivery	An energy audit report summarizing all of the following: <ul style="list-style-type: none"> ○ Observed site conditions. ○ Energy Consumption and Analysis. ○ Energy Efficiency Measures. ○ Energy and Financial Analysis for said measures, if applicable. 	✓	✓	✓
Timeline	Guaranteeing a 14-business day delivery period for the audit.	✓		
	Guaranteeing a 30-business day delivery period for the audit		✓	
	Guaranteeing a 60-business day delivery period for the audit			✓
Follow-up	Opportunity to discuss next steps with a dedicated account manager.	✓		
	Discussion of next steps with a dedicated account manager.		✓	
	Discussion of next steps with a dedicated account manager.			✓
